

Information About the Service

This offer includes both Home Land Line subscription, which provides the use of a land-line as well as a broadband ADSL2+ or ADSL1 Internet connection. This service is a bundled service, therefore both services must be active in order to receive this offer.

Availability

Most areas are ADSL capable, however there are factors outside our control that may reduce your ability to subscribe to the service. To ensure your connection, several tests are done once you have provided your telephone number to us, or when you are ordering a new bundled service; when we receive your new phone number from our supplier.

Bundling Arrangements

You must ensure both the Telephone (local and long distance) and broadband services remain with Planet Ozi to retain the rates in this offer. If you cancel or port a service away, you may be subject to an early termination fee and your remaining service will be changed to a stand-alone plan which may cost more than the bundled equivalent.

Minimum Term

This plan is available on a No Contract term as well as a 6 month, 12 month or 24 month contracted term, and discounts are applied on the setup and/or hardware on longer terms.

Your Monthly Data Allowance

You receive **40GB** (1GB = Gigabyte which is made up of 1024 Megabytes) of data on your each month.

Information About Pricing

The below section includes information about the pricing and the usage rates associated with the services contained in this summary.

Monthly Charge

The minimum monthly charge under this offer is **\$79.95 per month**. This does not include any usage charges associated with the services provided for example; mobile calls, international calls or prepaid data that

There are no peak/off-peak restrictions on your plan and no excess usage charges apply. Should you exceed your monthly download limit your connection will be shaped to 256kps/256kps for the remainder of your billing period.

Should you wish to upgrade your plan or purchase prepaid data you may do so by contacting us during support hours.

Broadband Speeds

Planet Ozi ADSL plans provide a maximum download speed of up to 20Mbit to eligible customers in selected areas (ADSL) but average speeds will be lower.

Actual speeds will vary due to a number of factors such as distance from the exchange, the network connecting the exchange to your equipment, software and internet traffic.

Special Promotions & Value Added Services

This summary includes unlimited calls to all normal local and national fixed lines. Mobile, 1300 and International rates are charged at the same rate as all other PSTN plans with more information provided in the Information About Pricing section.

may be purchased in addition to the normal recurring charges.

Your Call Charges

These are the main charges for calls under your residential telephone line;

CALL TYPE	PRICING DETAILS
Local Calls	\$0.00 per call
